

Welcome to CTKCS,

Effective communication is important at Christ the King Catholic School. **The school website is your main resource for information, ctkcsdaphne.org.** Links to other relevant sites and daily readings are on the Homepage. The Latest News on the Homepage is continually updated; new and important information will be placed in the Latest News as it becomes available and will also appear as a News item on the appropriate page on the school website. Make a habit of checking out the Latest News for the most current information.

The school Google calendar is updated continually and appears at the top left of the Homepage, as well as Contact information for teachers and staff, and a quick link to PlusPortal. A Search icon appears on the upper right side of the Homepage; you may search our website using any key words.

Our secondary and more fun communication resource is our Facebook page (facebook.com/cthekingdaphne). Even if you do not have a Facebook account, you may still view our Facebook page and see what is happening at CTKCS. There is an average of 10-15 posts per week during the school year, so don't miss out! The easiest way to access the page is through the school website; just click on the Facebook icon in the upper right side of the Homepage.

The CTKCS PlusPortal provides online real time communication between the school, students, and their families. The interactive PlusPortal enables the school and teachers to share information, grades, and engage with parents and students in a secure and private environment. Through their log in to the PlusPortal, parents can view: student grades, teacher postings, attendance and discipline records, the school calendar, and other CTKCS community information. The PlusPortal also allows access to posted forms such as teacher rubrics, study guides, newsletters, field trip forms, and special lunch orders. Every parent, as well as students in grades 5-8 are issued PlusPortal accounts at the beginning of the school year and can then log into the Portal on any computer or mobile device to access their information.

The Sunday NewsBlast gives a short "blast" of current weekly information via a Constant Contact email, with links to access more detailed information. **Your current e-mail address must be on file in the school office to receive our E-blast.**

The Take Home Wednesday folder includes weekly assignments, test papers for review in grades K-5, and upcoming activity or event information for everyone. The Brown Envelope is sent home at the end of each month and includes monthly information and can include upcoming activity or event information.

The Cross & The Crown is a bi-annual publication of the Development office. As a parent, you will receive one in the mail. This publication gives an overview of what has been going on at CTKCS, our student life, upcoming events, athletics, alumni information, and Annual Giving updates. The Christ the King Catholic School Annual Report is published in the January edition for the previous fiscal year.

If you have any questions, comments or suggestions, please email us at development@ctkcsdaphne.org.
